

Floor installers in Dubai, Abu Dhabi, Al Ain, Sharjah, Ajman, Umm Al Quiwan, Ras Al Khaimah & Fujairah, UAE

With over 20 years in the industry, ZAYAANCO is perfectly placed to provide both domestic and commercial customers with first class flooring installation. Our highly skilled and experienced team can provide full satisfaction in installing Carpets, Vinyl Flooring, Raised Access Flooring, Wooden Flooring, Rubber Flooring, Sports Flooring, Gym Flooring, WPC decking and Interlock paving. Our qualified & professional team of installers will ensure that you receive the highest quality of service no matter what the installation is. We have two decades of experience in flooring industry in installation. Our commercial flooring services are available to all customers across UAE. We will give you expert advice and guidance that you will not find anywhere else.

Once you have told us your requirements, we will visit your site and carry out an extensive survey of the property so that we can accurately quote you a reliable and reasonable price for the installation. During this survey, we will give you honest and impartial advice and guidance as to which flooring

product will be most suitable for your office or home. Although the final decision is down to you, we will be happier for you to take advantage of our many year's experience in the industry. During our extensive survey of your property, our personable and professional team will arrange an installation date that is suitable for you. On the day, our installation team will expertly, efficiently and quickly install your carpet, vinyl, wood, laminate or safety flooring with minimal fuss. As well as clearing away any mess caused by the installation, our expert team will also remove your existing carpet or flooring and dispose it safely and legally.
