ZAYAANCO: 28 Years of Excellence in SPC Flooring Installation and Solutions Across the UAE

For over **28 years**, **ZAYAANCO** has been a leading name in the **Stone Plastic Composite (SPC) flooring** industry in the **UAE**. As a **professional SPC floor installer, specialist contractor, and SPC**

floor fixing company, we provide top-quality **SPC flooring solutions** for a wide range of commercial, residential, and industrial applications. With our extensive experience, expertise, and commitment to customer satisfaction, we are proud to be recognized as one of the most reliable names in the flooring industry.

Whether you're building a new property, renovating an existing space, or upgrading to a more durable and aesthetically pleasing floor, ZAYAANCO has the solutions and skills to meet your needs.

What is SPC Flooring?

Stone Plastic Composite (SPC) flooring is a revolutionary new product that offers **exceptional durability, water resistance, and aesthetic versatility**. It combines the best of both worlds—natural stone and high-performance polymers—to create a product that is not only **extremely resilient** but also easy to install and maintain.

Key Features of SPC Flooring:

- **Durability:** SPC flooring is known for its **strength** and **long-lasting performance**, making it an excellent choice for high-traffic areas.
- **Water Resistance:** Unlike traditional wood-based floors, SPC flooring is **waterproof**, making it perfect for areas such as kitchens, bathrooms, and basements.
- **Realistic Appearance:** SPC floors come in a variety of **designs** that mimic the appearance of natural materials like wood, stone, and tile, offering a luxurious aesthetic without the maintenance requirements.
- **Comfort and Sound Insulation:** SPC flooring provides **comfort underfoot**, while its inherent properties help to **reduce noise levels** in busy environments.
- **Eco-Friendly:** SPC flooring is made using sustainable materials and offers a **low environmental impact**, making it an eco-conscious choice for flooring.

ZAYAANCO's SPC Flooring Services

At **ZAYAANCO**, we are proud to offer a comprehensive range of **SPC flooring services**, from professional installation to repair and maintenance. With **28 years of experience**, we have worked on various types of projects and have become a trusted name in the flooring industry across the UAE. Our team is equipped with the skills and tools needed to deliver **high-quality flooring solutions** with exceptional results.

1. Professional SPC Floor Installation

Our team of expert installers is highly skilled in **SPC floor installation**, ensuring that your floors are installed efficiently, accurately, and with the highest attention to detail. We work closely with each client to understand their specific needs, offering customized solutions that are both aesthetically pleasing and highly functional.

- **Seamless Installation:** We ensure that the SPC tiles are laid out without visible seams for a flawless finish. Our experienced installers ensure that every plank or tile is properly aligned, with minimal gaps or misalignment.
- **Subfloor Preparation:** We understand the importance of a well-prepared subfloor. Our team will carefully assess and prepare the subfloor to ensure it is clean, level, and dry before installation, which is crucial for ensuring the longevity and performance of your SPC flooring.
- **Variety of Styles:** From **wood-look SPC tiles** to **stone and marble effects**, we provide a variety of designs that suit any aesthetic, offering a premium finish that elevates the look of your space.

2. SPC Floor Fixing and Repair Services

Even with the best products, wear and tear can take a toll over time. At **ZAYAANCO**, we offer expert **SPC floor repair and fixing services** to address any damage or issues. Whether your flooring has suffered from **scratches, discoloration, or improper installation**, our team is equipped to restore your SPC floors to their original beauty.

- **Tile Replacement:** If you have damaged SPC tiles, we can replace them seamlessly, ensuring the pattern and design match the existing floor.

- **Repairing Gaps and Seams:** If your SPC flooring has developed gaps or seams, our team will address these issues promptly, ensuring a smooth and secure surface.
- **Surface Restoration:** We also offer services for restoring the **appearance** of your SPC floors, addressing scratches, stains, and other imperfections, ensuring your floors continue to look as good as new.

3. SPC Flooring Layering and Upgrades

If you already have SPC flooring that is still in decent condition but want to improve its look or performance, **SPC layering** is a cost-effective and time-efficient solution. ZAYAANCO specializes in **layering SPC flooring** over existing floors to create a new, fresh look while retaining the benefits of the original flooring.

- **Cost-Effective Upgrade:** Instead of a full replacement, layering allows you to update the look of your space with minimal disruption and without the expense of tearing out the existing floor.

- **Enhanced Durability:** New layers of SPC flooring add an additional level of **durability** and **protection** to your existing floor, extending its lifespan.

4. SPC Floor Maintenance and Cleaning

To maintain the beauty and durability of your SPC floors, regular **maintenance** is essential.

ZAYAANCO offers comprehensive **floor cleaning and maintenance services** to keep your SPC floors looking pristine and functioning optimally.

- **Cleaning and Polishing:** Our team can provide professional cleaning to remove dirt, debris, and stains from your floors, restoring their shine and finish.
- **Inspection and Testing:** We offer routine inspections to assess the condition of your SPC flooring, ensuring it is still performing at its best and identifying potential issues before they become major problems.
