### **ZAYAANCO: 28 Years of Excellence in Supplying Adhesives, Vinyl Skirting & Profiles in the UAE**

For nearly **28 years**, **ZAYAANCO** has been a trusted leader in the UAE, providing premium quality **adhesives, vinyl skirting, and profiles** to various industries. Our commitment to excellence and customer satisfaction has made us a go-to supplier for businesses involved in construction, interior design, furniture manufacturing, and more. From innovative adhesives designed to meet specific application needs to durable vinyl skirting and profiles that enhance both functionality and aesthetics, ZAYAANCO continues to set the standard for quality, reliability, and service.

### **A Legacy Built on Expertise and Trust**

Founded in **1997**, ZAYAANCO's mission was simple: to deliver high-quality adhesive, skirting, and profile solutions that meet the ever-evolving needs of the construction and interior design industries. Over the years, our unwavering dedication to quality, customer care, and industry innovation has earned us a reputation as one of the most trusted suppliers in the UAE.

Throughout our journey, we have continually invested in advanced technologies, researched new materials, and refined our processes to ensure that our products deliver the highest levels of performance. Today, ZAYAANCO's name is synonymous with excellence, precision, and reliability—values that have been the foundation of our long-standing success.

## Our Product Range: Unmatched Quality and Versatility

At ZAYAANCO, we take great pride in offering an extensive range of high-quality products designed to meet the specific needs of every client. Our product portfolio includes industry-leading adhesives, versatile vinyl skirting, and a variety of profiles, each engineered to offer exceptional durability, performance, and design flexibility.

### 1. Adhesives: Powerful, Precise, and Long-Lasting

ZAYAANCO's adhesives are crafted for a broad range of applications, ensuring that our clients have the right solution for every job. Whether you're working on a commercial construction project or need a strong bond for furniture manufacturing, our adhesives deliver reliable results that stand the test of time.

- **Construction Adhesives:** For bonding tiles, ceramics, metals, and other building materials.
- **Furniture Adhesives:** Perfect for woodwork, laminates, and cabinetry.
- **Industrial Adhesives:** Designed to meet the demands of heavy-duty applications in automotive, manufacturing, and other industrial sectors.

Our adhesives are formulated to provide superior bonding strength, resistance to environmental factors, and ease of use. No matter the complexity of the task, ZAYAANCO's adhesives provide a perfect bond every time.

### 2. Vinyl Skirting: Stylish Protection for Every Space

ZAYAANCO's vinyl skirting solutions combine aesthetics with practicality, offering protection to walls while enhancing the visual appeal of any space. Available in various designs, colors, and sizes, our vinyl skirting products are perfect for residential, commercial, and industrial applications.

- **Durability:** Resistant to impacts, stains, and wear, making it ideal for high-traffic areas.
- **Aesthetic Flexibility:** With a variety of finishes and textures, our vinyl skirting can complement any interior style—from classic to modern.
- **Easy Maintenance:** Our vinyl skirting is easy to clean and maintain, ensuring long-lasting beauty with minimal effort.

ZAYAANCO's vinyl skirting is the perfect choice for projects that demand both protective functionality and stylish elegance.

### 3. Profiles: Engineered for Performance and Design

Profiles are essential components in a variety of construction and design applications, from sealing joints to adding decorative accents. At ZAYAANCO, we offer a wide selection of profiles crafted with precision to meet the needs of diverse sectors, including construction, interior design, and manufacturing.

- **Decorative Profiles:** Ideal for enhancing the visual appeal of walls, ceilings, and corners in both residential and commercial projects.
- **Edge Profiles:** Provide durability and protection for exposed edges, ideal for flooring and other high-wear surfaces.
- **Sealing Profiles:** Used to create airtight and watertight seals for windows, doors, and other openings.

Made from materials like PVC, aluminum, and rubber, our profiles are engineered for strength, longevity, and ease of installation, ensuring that every application is completed to the highest standards.
