Wet Area Mat Collection

SOFT STEP

Pool mats from Finland

(W: 60cm L: 15m)

Two rolls/mats can be connected together with special connectors.

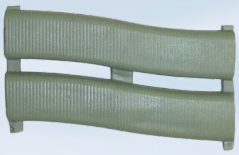

Durable, safe and recyclable

The SoftStep mat is ideal for use in bathrooms and dressing rooms where mats should stay in place and feel comfortable even to a bare foot. Carrying an antibacterium protection, SoftStep can be cleaned easily and its structure facilitates the removal of water. The mat withstands temperature fluctuations and everyday wear and tear. You can also shape and cut it to suit its purpose. SoftStep is available in bright colours that match other furnishings.
