

RELIABOARD WPC

PREMIUM COMPOSITE DECKING

Why TekTimber Reliaboard Reliaboard WPC?

TekTimber Reliaboard is a leader in the research, development and marketing of long lasting, low-maintenance high quality decking. TekTimber Reliaboard is manufactured in Ohio, USA

1 *Low Maintenance*

TekTimber Reliaboard maintains its color and beauty for years without the work of painting, staining or sealing.

2 *Warranty*

TekTimber Reliaboard's 25-year stain and fade warranty on Earthwood Evolutions and its 25-year limited residential warranty on all other products is best-in- class. And our warranty can be transferred to a second homeowner - a great selling feature when you're ready to relocate. For commercial applications, TekTimber Reliaboard offers a 10-year limited warranty for worry-free beauty in high traffic situations.

3 *Environmentally Friendly*

In addition to being environmentally friendly because of its use of recycled wood fibers and plastics, TekTimber Reliaboard composite decking doesn't contain wood preservatives. This avoids the issues of arsenic and other heavy metals found in pressure-treated wood. Without any wood preservatives, TekTimber Reliaboard composite decking is resistant to decay fungi and insects.

4 *Sub-floors*

- 1) Red Meranti batons (5 yrs Warranty)
- 2) Eurotec Aluminium System on Pedestal (25 yrs Warranty)

Perfect for the value-conscious consumer, ReliaBoard offers the benefits of low-maintenance, wood composite decking at a price tag that's accessible on any budget.

Enjoy the many benefits of TekTimber Reliaboard's ReliaBoard collection:

- **Tough:** Proprietary wood composite material; flat grain surface with pattern that blends to a consistent color over time
- **Enduring:** Stands up to harsh weather
- **Durable:** Resists mold, mildew, and moisture damage
- **Beautiful:** Texturized for a wood-like appearance
- **Low-maintenance:** No annual sealing or staining required for protection
- **Protected:** Comes with 25-year limited warranty in residential applications

Depending on environmental conditions, all TekTimber Reliaboard wood composite colors may appear to change over time as part of the natural weathering process.

Decking dimensions :

Deck boards are .94" x 5.36" (2.38 x 13.61 cm)

Square shouldered lengths: 12' | 16' | 20' (365.76 cm | 487.68 cm | 609.60 cm)
